EMPOWERING OUR YOUTH

Meridian Health Services is partnering with Richmond Community Schools to help make an impact on the lives of students for better health and well-being.

The School Assembly features engaging speakers discussing the daily struggles teens face and provides support and resources to make positive choices that impact their "whole-person" health, focusing on mental, physical, and social well-being. As the nation struggles with a youth mental health crisis, we want students to know – **YOU ARE NOT ALONE.**
