

PRIMARY MEDICAL CARE-MERIDIAN MD

Meridian Health offers primary medical care for people of all ages including medical exams, wellness assessments, illness visits and disease management. The integration of medical and behavioral healthcare offers individuals a seamless approach to treating the body and mind for total well-being.

MeridianMD offers:

- Routine medical care
- Treatment of chronic medical conditions
- Illness visits and minor injuries
- Diabetes screening and disease management
- Wellness assessments
 - Blood pressure, cholesterol, weight management, nutrition, vaccines, health coaching
- Behavioral and social health

DENTAL HEALTH

Family dental services are provided by our team of board-certified professionals who strive to make your dental experience as relaxing and comfortable as possible.

Our dental services include:

- Preventative care
- Restorative care
- Periodontal care
- Emergency care
- Oral surgery
- Prosthetic care

WOMEN'S HEALTH

Meridian Women's Health provides specialized obstetric and gynecology services for any stage of a woman's life. Individualized care for each patient includes important connections to additional services, if needed, like primary medical care, behavioral health and social services.

We specialize in:

- Comprehensive pregnancy care
- High risk obstetrics
- Detailed and 3D ultrasounds
- Infertility counseling and treatment
- Gynecological disease
- Family planning counseling

PHARMACY

Meridian Health Rx is a pharmacy dedicated to serving Meridian patients and designed to enhance care and help patients achieve the best health outcomes. Benefits include custom pill packing, personalized co-pay assistance programs, and free prescription delivery.

OUTPATIENT COUNSELING & THERAPY

Meridian Health Services offers professional counseling by licensed clinical social workers, mental health counselors and family therapists. We work with individuals, couples, and families struggling with depression, anxiety, stress, adjustment problems, and other life challenges. We are committed to providing individual, person-centered attention to help individuals and families achieve mental, physical and social well-being.

ADDICTIONS TREATMENT

Individuals experiencing substance use disorders associated with addiction can find treatment and support at Meridian. Depending on the severity of need, a number of treatment options are available:

- Addictions & Recovery Center (ARC)
- Intensive Outpatient Program & Aftercare
- Maternal Treatment Program (MTP)
- Women's Recovery Home Center
- Home with Hope
- Support groups and aftercare services

CARE COORDINATION

Individuals work with trained professionals who become helpers, service brokers and advocates to help families and clients navigate the system to meet their needs and receive appropriate services. Case Management Services are also extended to persons who are homeless or about to be homeless and are mentally ill. These occur through homeless outreach and Drop-In Center programs.

RESIDENTIAL & INDEPENDENT LIVING

Meridian's residential and independent living program helps residents gain skills to live in the least restrictive environment while receiving integrated care.

COMMUNITY SUPPORT PROGRAM

Adults with a severe and persistent mental illness face particular challenges and barriers to achieving recovery, wellness and self-reliance in every day living. Meridian offers treatment options to help people manage their illness to become independent.

PSYCHIATRIC EVALUATIONS

Identifying behavioral health issues is an important step to achieving overall wellness. The psychiatrists and clinical nurse practitioners at Meridian provide comprehensive psychiatric evaluations and medication management to adults experiencing symptoms of depression, anxiety and other mental health conditions.

SUPPORTED EMPLOYMENT

With the assistance of an employment specialist, adults can acquire the skills necessary to gain and maintain employment in the community. Working in partnership with Indiana Vocational Rehabilitation Services, the employment specialist links employers with qualified job seekers and provides ongoing job coaching and support in the work place.

CONNXXIONS

Coordinated Care for the Dually Diagnosed

Quality mental health services for individuals with a dual diagnosis of intellectual or developmental disorders (IDD) and mental health needs. Through the Connxxions program, participants gain skills that foster independence and enrich their lives.

Connxxions Program includes:

- Individual & family therapy
- Group activities
- Personal health skills
- Case management
- Psychiatric services
- MeridianMD—Family Medical Care
- Behavior management consultation
- 24-Hour preventative hotline
