

### Meridian Health Services

strengthens families and helps adults and children thrive, serving more than 50,000 patients each year.

Meridian's unique approach to healthcare offers patients a medical home in which services for physical, mental, and social well-being are integrated to achieve "whole-person" health. This higher quality of care achieves results by coordinating treatments that heal the body and mind for happier, healthier patients.

### Meridian Health Services' commitment to whole-person health provides the following benefits to all patients:

- Integrated health care
- Team approach to treatment
- Health coach
- Increased patient satisfaction
- High quality of care and outcomes
- Patient Centered Medical Home (PCMH)
- Patient convenience
- Easier medication regimens
- Lower costs

### MeridianMD

specializes in family primary medical care integrated with behavioral and social health to achieve the best possible outcomes for patients. Providers, nurses, and behavioral health clinicians at Meridian coordinate treatments and medications seamlessly to provide a true medical home for adults and children.

MeridianMD - Convenience Care provides urgent, walk-in acute medical care to patients of all ages.

MeridianMD - Internal Medicine provides care to adults with multi-system conditions in need of medical care of chronic medical conditions, illness visits, and wellness assessments.

### MeridianMD works in partnership with other Meridian Specialty Centers including:

- School Clinics
- Women's Health
- Pediatric Health
