

## Meridian's School-Based Health Clinics provide *affordable* medical and behavioral health care within a *convenient* setting in the school for students and their families, as well as school staff and community.

### PRIMARY MEDICAL CARE

Meridian's team of medical providers and nurses provide a variety of services to help keep people of all ages healthy.

- Primary medical care
- Health & prevention screenings
- Well-child checkups
- Illness visits - allergies, strep throat, ear infections, first aid
- Care for minor injuries
- Immunizations
- Annual physical exams - sports & back-to-school
- Nutrition & weight management
- Management of chronic health conditions

### BEHAVIORAL HEALTH

Meridian's team of pediatric specialists diagnose and treat behavioral, emotional and social needs of children, and work with your pediatrician as needed in conjunction with Meridian's extended services for children and family supportive programs.

- Crisis interventions
- Individual & group therapy
- Teen counseling
- Parent/child conflict
- Suicide prevention
- ADHD, anxiety, & depression diagnosis and treatment
- Psychiatric consultation
- Addiction prevention & services
- Psycho-social assessments - including Adverse Childhood Experience Score (ACES) management

### REFERRAL TO SPECIALTY SERVICES

Meridian Health Services is a true medical home integrating physical, mental, and social health. Not only do patients have access to the health services provided at the school clinic near them, they can be referred to any of Meridian's specialty services including:

- Dentistry
- Pharmacy
- Women's Health OB/GYN
- Pediatrics
- Internal Medicine and more!

### ENSURING ACCESS TO VITAL HEALTH SERVICES

is part of Meridian's mission to create healthier communities - this means not only having locations that meet the needs in the community, but also ensuring no patient is turned away due to their inability to pay. Meridian accepts:

- Medicaid/Medicare
- Most Insurances
- Self-Pay
- Sliding Fee Scale - the amount owed for services can be adjusted based on the patient's ability to pay. Eligibility for a discount is based on income and family size.
